Sunday, March 21st, 2021 Candlelight Service all students attend with sponsors for final class. In Lieu of this there would be a meeting for sponsors and candidates if we are unable due to Covid to hold this in person

Teens have been assigned to a retreat, if we are unable to hold the retreat in person, we will hold them remotely.

Classroom includes use of Bibles, reference tools as well as instruction and discussion on numerous topics such as; The Rosary, The Trinity, Liturgy, Works of Mercy, Stations of the Cross, gifts of the Holy Spirit, media, morality, decision and choices to give you some examples. It is up to each student what they bring to the table during class and whether they leave with learning something new. They are making a commitment to become fully initiated as adults in the Church during Confirmation and being an active participant with a positive attitude is crucial. Parents please support us in preparing your children and remember you are the primary educator of the Faith; it works best if we all work together!!!!
